Teaching & Facilitation: One-on-one technical support, software and equipment demonstrations, community brainstorming, training and documentation, adapting technical information to different audiences

Programs & Projects: Community outreach, collaborative project development, project planning, procurement and logistics, inventory and budget tracking, governance and policy, partner and vendor communication

EDUCATION

Graduate Certificate, Full Stack Web Development | NSCC | 2022 – 2023

Focus on HTML, CSS, JavaScript, React, SQL, MongoDB, Cyber Security and Operating Systems

Bachelor of Fine Arts, Interdisciplinary Arts | NSCAD University | 2014 – 2020

Focus on Expanded Media, Filmmaking, and Printmaking

PROFESSIONAL EXPERIENCE

Multimedia Technician | NSCAD University, Halifax, NS

Aug 2024 – Jan 2026 (Maternity Leave Backfill)

- Supported students and faculty in Film, Animation, and Expanded Media with software, multimedia technology, classroom systems, and technical workflows
- Helped users with a wide range of technical experience learn unfamiliar tools, troubleshoot problems, and find workable approaches to their projects
- Recruited, trained, and supported student assistants working with department technology and equipment
- Managed equipment bookings, inventory, procurement, documentation, maintenance, and shared technical resources
- Used quieter periods between semesters to review recurring support needs, incorporate feedback, improve documentation and workflows, and prepare for upcoming teaching and production needs

Board Member (Chair since 2023) | Visual Arts Nova Scotia

2022 – Present

- Chair board meetings and facilitate an environment that encourages participation, open discussion, and collaborative decision-making
- Serve on the Community Engagement and Governance Committees, supporting outreach, policy work, board and committee recruitment, succession planning, and organizational requirements
- Contribute to long-term planning, budgets, hiring processes, conflict resolution, and organizational direction
- Represent Visual Arts Nova Scotia through the Culture Federation of Nova Scotia

Clerk | Cyber Security and Digital Solutions | Government of Nova Scotia

Jan 2024 – Aug 2024 (Temporary Contract)

- Managed IT asset logistics, storage, shipping, and database tracking for equipment distributed across hospital sites throughout Nova Scotia
- Monitored inventory levels and available warehouse space and coordinated logistics with internal partners during preparations for the provincial OPOR rollout
- Supported the full lifecycle of IT equipment, including receiving, asset tracking, deployment, returns, secure storage, and e-waste preparation

Purchasing Coordinator | Aqualitas, Brooklyn, NS

May 2019 – May 2021

- Managed purchasing and inventory as part of a three-person warehouse team supporting a new regulated cannabis production facility
- Tracked inventory and purchasing needs across departments to prevent shortages that could interrupt time-sensitive production
- Built and maintained purchasing databases and vendor relationships across departments
- Maintained quality-assurance documentation for a newly regulated production facility

Student Union President | NSCAD University, Halifax, NS

2017 – 2018

- Led and supported student-led programs, events, campaigns, and projects, including locally developed initiatives and programs connected to the Canadian Federation of Students
- Worked with students, university administration, community partners, and elected representatives to identify needs and move projects forward
- Chaired formal meetings, facilitated discussion and decision-making, and helped manage organizational budgets and priorities
- Represented more than 800 students within university governance and the broader community

Community Arts Facilitation | ArtBikers + Wonder'neath Art Studios

2015 – 2016

- Worked with community representatives to develop arts programming collaboratively, beginning with outreach, relationship-building, and community interest rather than predetermined projects
- Organized information sessions, meet-and-greets, and community brainstorming sessions to discover what people actually wanted to make
- Supported participants in identifying what was meaningful to their community and shaping ideas into projects that were exciting, useful, and achievable within the available time and resources
- Helped deliver projects in partnership with communities, adapting plans to local priorities and circumstances

ADDITIONAL EXPERIENCE

- Freelance Photographer, Videographer, Sound Recordist & Media Artist | 2009 – Present
- A/V Technician | Eastlink Community TV | 2019 – 2020
- Board Member | Astor Theatre | 2018 – 2020
- Projectionist and A/V Technician | Astor Theatre | 2007 – 2010, 2013 – 2014

PROFESSIONAL DEVELOPMENT

- Conseil scolaire acadien provincial: Beginner French Certificate | 2026
- Mental Health First Aid Supporting Youth | 2025
- Media Training & Mobilization Workshop | 2025
- Digital Nova Scotia: SFHA Cyber Security Program | 2023
- Working With New Immigrants via ISANS | 2016
- Anti-Oppression and Cultural Sensitivity Training | 2015, 2016, 2018, 2024
